I explained the 35 plus \$5 a day charge.. also in further speaking to her, she explained that she came from Alabama to get settled here and the person she stayed with got rid of all her personal info, such as personal ID, License, SS card, etc. I told her we will not release the animal on her word that she is who she says she is, We need some kind of legal documentation on who she was. I explained our reclaim process and she started with another story, I told her i would forward this info to Stacy and she could speak with her (Management)concerning this.. She said she will be here close to one oclock Her number is 678 559 8168.
