I spoke with Evan who confirmed he did give the dog away, and was surprised the new owner did not change the microchip info. The owner said he is willing to do the quarantine and find her a new home. I made sure he knew he would have to pay for the quarantine and pick her up on the 11th day (9-29-15) and he said he will find her a new home before the 10 days are up so that she can go straight to a new home.
