Note ID: 59498 Date: 09-23-2015 02:29:47 PM Case Notes from Staff.Silas Figgers 9/23/15 Owner sent neighbor Shirley Crosby to pick up Riley Larry, However, when told that there was a \$40 charge, she could not pick up the dog. She spoke to him on the phone and he stated he would come to pick up. So the dog was placed back into the system for the owner to pick up.. Being that the case was close to reclaim by Shirley, and reopen for the correct owner to pick up, all the medical information is still under the first case.. sf..

Spoke to Ms. Rodriguez and she says her patio is enclosed but the dog keeps breaking through a fence and getting out. I made some suggestions about exercising the dog more, fencing in a larger portion of her yard so the dog can run around or taking the dog for walks. Ms. Rodriguez says she does not want the dog back and is not coming to get her. I also explained that it is her responsibility to try and find a new home for her dog.</p> <p>Note ID: 59673 Date: 09-28-2015 08:58:42 AM Follow Up Notes from Staff.Stacey Worsham 9/28/15 - Spoke with Ms. Rodriguez.
