Ms. Lewis said Brenda Pounds was trying to help her find a new home for her animals and that is why they were on Ms. Pounds property. I stressed the importance to Ms. Lewis of coming to reclaim her dog and her cat but she says she cannot afford to pay for the reclaim and cannot pay for food to feed them. I told her about the rescue list and spotsociety and about the Pet Pantry for food. She does not want to reclaim and I told her that she could be charged with abandonment.</p>

	Note ID: 64337 Date: 12-17-2015 02:06:30 PM Case Notes from Staff.Stephanie Bell 12/17 dog has microchip, owner is Felintae Prather 8046 Everwood Dr. Douglasville, GA 30134. Phone number is 678-698-2498 (called 12/17, no answer, left voicemail). E-mail is tae2xtimes89@gmail.com. Mr. Prather called earlier today and I spoke to him about his lost dog and filled out a lost report. Mr. Prather said he is facing an eviction and does not know if he will be able to come and get his dog back right away. I explained that we cannot hold any ones pet for an extended period of time, that if his dog is found he will have to come reclaim her right away. I gave him some ideas on rescue groups if he wants to re-home his dog (which he doesn't) and also some ideas on boarding facilities and Vet Clinics. After dog was turned in I called Mr. Prather back and left a message on his voicemail, Mr Prather just called back at 2:40 and said he will come to reclaim his dog tomorrow 12/18.
