*linking, integrating,
& networking for kids*

Serves as Douglas County LIPT

Resource Guide

Resources for Children/Youth, Families, and the Community
2022

Disclaimer*

This guide is intended to serve as a resource tool for families who need information for various community resources. It is not designed to exclude any business, service provider or community organization. It does not include all resources in or outside of Douglas County. This resource directory will be updated yearly. Changes and additions will be made upon receipt of a written request by the organization or service provider.

Requests for change or addition of information should be sent to:

Juvenile Programs Administration-LINK- ATTN: Lindsey H. Smith
8700 Hospital Drive Douglasville, Ga 30134
OR emailed to lmhughes@douglascountyga.gov (preferred)

LINK (Linking, Integrating, and Networking for Kids)

The purpose of LINK/LIPT is to improve and facilitate the coordination of services for children with severe emotional disorders (SED) and/or addictive disease (AD). Representatives from several child serving agencies in the community come together three times per month to help families. We meet with the families and develop individualized plans to meet their needs. LINK also hosts a community resource event yearly to bring together the entire child serving organizations in our community to network and collaborate. This event is also open to the public to allow families to learn what is available to them. LINK serves as Douglas County's LIPT (Local Interagency Planning Team). For more information on referrals to Douglas LINK, contact Lindsey H. Smith at 770-920-7121 or lmhughes@douglascountyga.gov

LINK is supported by Families in Transition of West Georgia, Inc. (FIT). FIT is a nonprofit organization in Douglas County that supports several programs aimed at meeting the needs of youth and families. We appreciate any monetary donations that will support families and youth in Douglas County. In addition to supporting the LINK Program, other focus areas include Evidence Based Programming (EBPs), Mentoring Programs, and support to our local Family Dependency Treatment Court (FDTTC).

For more information or to get involved, please contact us or visit our website <http://fitwestga.com>

Crisis

If you have an emergency, call 911

GCAL

GCAL provides telephonic crisis intervention, clinical triage, and referral for Georgians in need 24/7/365.

For immediate access to routine or crisis services, please call the Georgia Crisis and Access Line (GCAL) at 1-800-715-4225.

- Provide telephonic crisis intervention services
- Dispatch mobile crisis teams
- Assist individuals in finding an open crisis or detox bed across the State
- Link individuals with urgent appointment services
- Help you to access a State Funded provider in your area

A nationally accredited Health Care Call Center, crisis center, and partner in the National Suicide Prevention Lifeline, the Behavioral Health Link Crisis call Center is proud to operate the Georgia Crisis and Access Line.

Text & Chat: Georgia's youth can now access GCAL's services via text and chat through a new app called My GCAL. The app will allow youth to call, text, or chat with GCAL 24/7/365. Help is in your pocket—just a click away.

CORE Providers are required to have a psychiatrist for all their patients

Childrens Healthcare of Atlanta- Adolescent Medicine Clinic

Taken from: <https://www.choa.org/medical-services/adolescent-medicine>

We support teens by talking about their health with them and their parents or guardians. Because teens may be embarrassed to have an exam or talk about some things in front of their parents, we give all teens a chance to be seen privately. In order to best care for your teen, we offer confidential services and treatment. This means we will only share information from these visits if the teen says it is okay or if someone is in danger. We offer flexible clinic hours, with one evening clinic per week for patients who need to come after school. Our clinical staff is experienced in caring for the needs of teens.

Call 404-785-9855 Monday through Friday from 8am-5pm for more information about the Adolescent Medicine Clinic. Hours are Monday, Friday 8am-5pm; Tuesday 1pm-8pm

- Comprehensive medical care for adolescents, including school and sports physicals and vaccines
- Comprehensive sexual education and related medical care for teens with developmental delays
- Evaluation and treatment of menstrual and gynecological disorders
- Female and male confidential family planning services
- Pregnancy testing & Pregnancy prevention education
- Puberty and growth concerns
- Screening and medical care for patients with eating disorders such as anorexia and obesity
- Screening and treatment for mental health issues such as attention deficit hyperactivity disorder (ADHD), uncomplicated anxiety and depression, and self-injurious behaviors
- Sexually transmitted infection and HIV screening and treatment
- Substance abuse screening & Tobacco cessation counseling

Preschool Program <http://www.marcus.org/Clinical-Services/Preschool-Program>

Medical services- Medication Management

The Emory Autism Center

The Emory Autism Center is a national model providing clinical, educational and medical supports to individuals with autism (ages 15 months through adulthood); providing instructive guidance to their family members; providing training to educators and professionals interested in learning how to better support children and adults with ASD.

Located at: The Justin Tyler Truax Building 1551 Shoup Court Atlanta, Georgia 30322
(404) 727-8350 OR online: <http://www.psychiatry.emory.edu/PROGRAMS/autism/index.html>

Department of Public Health: Georgia Autism Initiative

The Georgia Department of Public Health (DPH) is committed to helping children and families with Autism Spectrum Disorder (ASD), and other related disorders, through projects within the DPH Autism Initiative. To achieve this goal, the DPH is partnering with state, public, private, and community organizations as well as universities to provide education, training, and support to providers, families, and advocates.

Georgia Neurobehavioral Associates, LLC-----140 East Marietta Street, Ste 301 Canton, Georgia 30114
Phone: (770) 213-3594 <https://www.georgianeurobehavioral.com/index.html>

Georgia Department of Public Health-----2 Peachtree Street, NW Atlanta, Georgia 30303
404-657-2850 <https://dph.georgia.gov/georgia-autism-initiative>

Autism Speaks

Mission: Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of individuals with autism and their families through advocacy and support; increasing understanding and acceptance of people with autism spectrum disorder; and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

Resource Guide: <https://www.autismspeaks.org/resource-guide/state/GA>

Autism Response Team: The Autism Response Team (ART) is specially trained to connect people with autism, their families, and caregivers to information, tools, and resources.

Key Autism Services	888-329-4535
Southern Behavioral Consultants	888-759-7706

Laurel Heights- The Enlightenment Acute Program

Laurel Heights Hospital has expanded its specialty acute program providing psychiatric inpatient treatment to children and adolescents, ages 6 - 17, with co-occurring Autism Spectrum Disorder. The Enlightenment Acute Program was created to meet the psychiatric treatment needs of patients with Level 1 Autism, requiring less support in ability to communicate and fewer restricted interests. Applied behavior analytic interventions and strategies are still used to stabilize symptoms leading to hospitalization. Family training sessions remain integral to program success. This program offers the opportunity for higher functioning patients to mainstream in treatment with other patients without an Autism Spectrum diagnosis.

For additional information 404.888.5475 *(Most private insurance, managed Medicaid and Tricare © accepted.)*

UGA Autism Diagnostic Evaluation

First contact the clinic and speak with the clinic coordinator. The full assessment process costs \$1000. Unfortunately, our clinic does not take insurance but we do operate on a sliding scale for autism diagnostic assessments, which we will evaluate on a case by case basis. Phone: 706-542-4265

Department of Behavioral Health and Developmental Disabilities

The Georgia Department of Behavioral Health and Developmental Disabilities provides treatment and support services to people with mental health challenges and substance use disorders, and assists individuals who live with intellectual and developmental disabilities.

Individuals seeking services may visit www.mygcal.com to identify providers in your area. These services may also be accessed statewide by calling the toll-free Georgia Crisis & Access Line at 1-800-715-4225.

Addictive Diseases: Services are identified in the Addictive Diseases Resource Toolkit and can be accessed by direct contact and/or referral.

Behavioral Health: The division maintains a statewide service delivery system for the treatment of mental illness and emotional disturbance in adults and youth with a focus on recovery through community-based care, providing appropriate levels of service in the least restrictive setting possible.

Behavioral Health Prevention

Deaf Services: facilitates reasonable accommodations for individuals who are deaf, hard of hearing, or deafblind to effectively communicate with DBHDD.

Developmental Disabilities: State-supported services help families continue to care for a relative when possible. DBHDD also provides home settings and care to individuals who do not live with their families.

**For emergency mental health, developmental disability or addictive disease services, call:
Georgia Crisis & Access Line: 1-800-715-4225**

**For non-emergency mental health and addictive diseases services, call 1-877-217-4462.
For non-emergency developmental disability services, call 1-877-217-4462.**

Willowbrooke at Tanner

Willowbrooke at Tanner provides complete behavioral health care across Georgia and east Alabama through inpatient, outpatient, and in-home counseling and psychiatric services. A free and confidential screening or assessment is an important first step in determining just what level of care you or your family member need. Each patient will receive three referrals to community services or a Willowbrooke at Tanner program, depending on their needs.

Willowbrooke at Tanner therapies and programs include:

- Free, confidential assessment and intake services
- Intensive Outpatient Program
- Partial Hospitalization Programs
- Engage Employee Assistance Program
- Child and Adolescent Partial Hospitalization Program
- Adolescent Substance Abuse Partial Hospitalization Program
- Tanner Intensive Program for Behavioral Change (TIP)
- Adult Behavioral Health and Substance Abuse Partial Hospitalization Program
- Tanner Intensive Family Intervention Program (TIFIP)
- RAPP (Relatives as Parents Program)
- Tanner Center for Behavioral Health
- Regain Substance Abuse Recovery Program
- Innovative therapies, including equine, animal-assisted, rhythmic, expressive art

For a free, confidential mental health or substance abuse screening,
call our 24-hour help line at 770.812.9551.

Youth Villages Lifeset Program

Youth Villages' YVLifeSet program provides at-risk youth and young adults leaving the foster care, juvenile justice and mental health systems the intensive in-home support and guidance they need to make a successful transition to adulthood. The YVLifeSet program works not only with young adults who are "aging out" of state custody but also with the young person's family and support systems to help ensure a more successful transition.

The typical age range of young adults in the YVLifeSet program is 17-22. Program participation usually lasts from six to 12 months, with an average of seven to nine months.

Referrals can be made online at

<https://www.youthvillages.org/yvlifeset/contact-us-about-yvlifeset/>

Wraparound Providers (CMEs)

Lookout Mountain	706-806-1260
View Point Health	770-856-8034

In Wraparound, we partner the youth and family with a Care Coordinator who will provide intensive home and community based contacts, coordination / support / linkages with agencies, providers and schools, safety and crisis planning, team building, and developing a plan of care based on the individualized needs of the youth and family. Additionally, the youth and family are partnered with a DBHDD Certified Peer Specialist who serves as a peer support offering advocacy, education, skills building, and empowerment throughout the journey towards family vision for a healthy and successful life together.

Youth who may qualify for Wraparound:

- Have serious mental / behavioral health challenges who may be involved with multiple community systems
- Are ages 6 to 21 years with a Primary Mental Health Diagnosis (may co-exist with Substance Related Disorder and/or Developmental Disabilities)
- Are at high risk of out of home placement
- Have experienced risk of harm to self or others within the past 180 days / 6 months

Family Support Organizations

Family Support Organization (FSO) are family-run organization that provide direct family-to-family peer support, education, advocacy and other services to family members of children with emotional, mental, substance abuse and behavioral problems.

CARES Warm Line

If you or someone you know is in or seeking recovery from substance use disorder, we are here for you. We are individuals in long term recovery with a message of hope. Freedom from addiction is real and available to all. So, call us....

When you are struggling and need someone to talk to.

When you want to talk to someone confidentially.

When you want to share your triumphs as well as your challenges in recovery.

When you feel lonely, depressed, or have suffered a loss or setback.

When friends or family members don't seem to understand.

When you need someone to listen who has been right where you are.

When you have questions about recovery.

Baby Steps Recovery Program

Support, Resources and Help for Moms-To-Be with substance use issues.

Call or Text: (404) 451-1984

Our program provides a Plan of Safe Care that identifies your overall needs. A Safe Care Coordinator will make referrals and link you to peer support (people who are living in recovery) and services.

The Purpose of a Plan of Safe Care is to:

- Focus on you and the health, safety and development of your baby
- Work with you to identify your overall needs
- Make referrals for you and your family

Applying for Georgia Medicaid

What is Medicaid? Medicaid is a medical assistance program that helps many people who can't afford medical care pay for some or all of their medical bills. Medicaid is administered by the Georgia Department of Community Health (DCH) and pays medical bills with State and Federal tax money.

Anyone who applies for Medicaid can do so in person (by going to the local DFCS, health department or Social Security office) OR online at www.gateway.ga.gov

If you think you are pregnant, contact your county health department, primary health care center or hospital. Call the Division of Public Health at 404-657-2700 to find out where to apply in your county.

You may not need all of the following items, but the application process will move along more quickly if you have these kinds of documents:

- Copy of your birth certificate or other proof of identity and citizenship
- ID cards issued by federal, state or local government agencies
- Social security number
- Paycheck stubs or W-2 forms covering at least the last four weeks
- Letters or forms that show your income from Social Security, SSI and all sources of income
- Current health insurance policies, health insurance cards, etc.
- Life insurance policies
- Recent bank statements
- Information about property you own

You will find out whether or not you are eligible for Medicaid within 45-60 days after you apply.

Medicaid is based on month-to-month eligibility. DFCS will confirm whether you still remain eligible for the program you have. You will receive a notice when it is time to renew your Medicaid benefits.

It is extremely important that you report changes so that your household receives the correct benefits. Medicaid programs require you to report changes in your situation within 10 days of the change. You must report things like moving to a new address, new income, starting or leaving a job, people moving in or out of your home, medical deductions, purchase of vehicles,, Social Security or other programs.

Applying for Peachcare

Many children in Georgia under the age of 19 who don't have insurance are eligible for PeachCare for Kids.

Premiums are required for children ages 6 and older. The cost per month for PeachCare for Kids coverage is \$11 to \$36 for one child and a maximum of \$72 for two or more children living in the same household. Premiums are due the first day of the month prior to the month of coverage.

Many PeachCare for Kids customers are required to pay co-payments for their children. However, co-pays are not required for children under the age of 6, Foster children, Alaskan Natives, or American Indians.

Applying for PeachCare for Kids is part of the overall Medical Assistance application process. When you apply, either online, by phone, by mail, or walking in to a DFCS or RSM Group office, there is one application for Medical Assistance. We will determine the most beneficial coverage for your child(ren). Children who fall under the Medicaid income limits will be put on the appropriate type of Medicaid. Children who fall within the PeachCare for Kids income limits will be put on PeachCare for Kids.

You may apply the following ways:

- Online at www.gateway.ga.gov by selecting "Medical Assistance" when you come to the type of application you want to submit. You may also indicate other benefits for which you wish to apply.
- By phone at 1-877-427-3224 or 1-877-423-4746 and follow the prompts.
- Submit an application in person at a local DFCS Office or RSM Group office by requesting an application for Medical Assistance or by downloading, completing and printing an application found at the bottom of this page and submitting it in person.

If you have additional questions, please feel free to contact PeachCare for Kids at 1-877-427-3224.

The following agencies accepted these insurances during July 2019. Please note-These lists are subject to change. The most accurate way to find a provider that takes your insurance is to call your insurance company or visit their website. Always check with the provider or insurance company to ensure services will be covered.

Other Benefit & Eligibility Programs

GEORGIA DIVISION OF FAMILY & CHILDREN SERVICES

To apply, go to Georgia Gateway <https://gateway.ga.gov/access/>
Georgia Gateway manages these state programs:

- Childcare and Parents Services (CAPS)
- Women, Infants, and Children (WIC)
- Supplemental Nutrition Assistance Program (SNAP/Food Stamps)
- Temporary Assistance for Needy Families (TANF)
- Medicaid

Individuals may apply at any local Division of Family and Children Services office, by mail or by telephone (1.877.423.4746).

TANF: Temporary Assistance for Needy Families (TANF) provides cash assistance to families with dependent children for a limited time. Parents or caretakers who are included in the grant are required to participate in a work program. Cash Assistance program also provides financial assistance to refugee households who are not eligible for the TANF program.

Medicaid: provides health coverage to low-income families, pregnant women and adults who are determined to be aged, blind or disabled. DFCS is a contractor of the Department of Community Health, providing eligibility determinations to applicants of the program.

CAPS: DFCS continues to provide eligibility determinations for applicants of the Childcare and Parent Services (CAPS) program operated by the Department of Early Care and Learning.

SNAP: The Georgia Food Stamp Program (Supplemental Nutrition Assistance Program (SNAP)), is a federally-funded program that provides monthly benefits to low-income households to help pay for the cost of food. A household may be one (1) person living alone, a family, or several unrelated individuals cohabitating who routinely purchase and prepare meals together.

Child Support Recovery

The Division of Child Support Services (DCSS)

Either parent can call our office at 1-844-MYGADHS (1-844-694-2347) to get information about how to open a case. Anyone who receives help from the Temporary Assistance to Needy Families (TANF) program or receives certain Medicaid benefits can get help from DCSS without having to apply. All others must complete an application form and pay a fee of \$25. You may fill out an application online or you may download an application or you can request an application be emailed to you by calling 1-844-MYGADHS (1-844-694-2347).

Region 1 Office 8473 Duralee Lane Suite 200 Douglasville, Georgia 30134
Office: 1-844-MYGADHS (1-844-694-2347) Contact: DouglasvilleCSE@dhs.ga.gov

Medicaid Transportation

The Non-Emergency Medical Transportation (NEMT) program provides eligible members transportation needed to get to their medical appointments. To be eligible for these services, members must have no other means of transportation available and are only transported to those medical services covered under the Medicaid program.

To schedule transportation, members must contact the NEMT Broker. Monday-Friday from 7am to 6pm

Logisticare 1-888-224-7981 (Central), 1-888-224-7985 (Southwest), 1-888-224-7988 (East)
Southeastrans 1-866-388-9844 (North) and 404-209-4000 (Atlanta)

If you have questions, comments, or complaints about a broker or a service, call the Member Call Center's toll free number, 1-866-211-0950.

****you must schedule a transport at least three days in advance****

TEFRA/Katie Beckett Program

<https://dch.georgia.gov/tefra>

The Department of Community Health provides Medicaid benefits to eligible children through the TEFRA/ Katie Beckett Medicaid program under §134 of the Tax Equity and Fiscal Responsibility Act (TEFRA) of 1982 (P.L. 97-248). States are allowed, at their option, to make these Medicaid benefits available to children age 18 or younger (living at home) who qualify as disabled individuals under §1614(a) of the Social Security Act as long as certain conditions are met, even though these children would not ordinarily be eligible for Supplemental Security Income (SSI) benefits because of parental income or resources. The specific statutory provisions establishing this option are contained in §1902(e) of the Social Security Act.

Who Is Eligible? It must be determined that the child:

- Is 18 years old or younger, AND
- Meets federal criteria for disability, AND
- Is financially ineligible for SSI benefits, AND
- Requires a level of care provided in a hospital, skilled-nursing facility or intermediate-care facility (including an intermediate-care facility for people with intellectual disabilities); AND
- Can appropriately be cared for at home, AND
- Has an estimated cost of care outside of the institution that will not exceed the estimated cost of treating him/her within the institution.

How Are Level of Care and Eligibility Determined?

- Two components to the application and review process.
- The eligibility review consists of basic demographic, income, resource, and cost effectiveness information.
- The Medical level of care review consists of required clinical documents.
- The Team receives the Medicaid application or review and required clinical documents and submits the clinical documents to Georgia Medical Care Foundation (GMCF) for determination of level of care and disability (if appropriate).
- GMCF, performs the clinical review of the required documents for level of care determination and disability determination (if appropriate).
- If level of care, disability and all other eligibility criteria are met, the Team certifies Medicaid eligibility for the recipient.

Applications for Katie Beckett may be filed online at www.gateway.ga.gov or with the Centralized Katie Beckett Medicaid Team:

New Options Waiver Program (NOW) & Comprehensive Supports Waiver Program (COMP)

<https://dbhdd.georgia.gov/applying-dd-services>

Overview: The New Options Waiver (NOW) and the Comprehensive Supports Waiver Program (COMP) offer home- and community-based services for people with intellectual disabilities (ID) or developmental disabilities (DD) through the Georgia Department of Community Health (DCH) Division of Medical Assistance Plans.

Purpose: The NOW waiver program offers services and supports to individuals to enable them to remain living in their own or family home and participate or live independently in the community.

NOW/COMP Waiver Program Services

Adult Occupational Therapy Services	Adult Physical Therapy Services
Adult Speech and Language Therapy Services	Community Access Services
Behavioral Supports Consultation Services	Community Guide Services
Community Living Support Services	Respite Services
Environmental Accessibility Adaptation Services	Financial Support Services
Individual Directed Goods and Services	Natural Support Training Services
Pre-vocational Services	Specialized Medical Equipment
Specialized Medical Supplies	Support Coordination Services
Supported Employment Services	Transportation Services
Community Residential Alternative Services (COMP only)	Vehicle Adaption Services

Eligibility: Individuals who meet the level of care that would be required in an intermediate-care facility for people with intellectual disabilities (ICF-ID) may be eligible for home- and community-based services as an alternative through Georgia's Medicaid NOW and COMP waiver programs.

Specific qualifications:

- Are categorically eligible Medicaid recipients; and Have a diagnosis of an intellectual disability and/or a closely related condition; and
- Are currently receiving the level of care provided in an ICF-ID that is reimbursable under the State Plan, and for whom home- and community-based services are determined to be an appropriate alternative; or,
- Are likely to require the level of care provided in an ICF-ID that would be reimbursable under the State Plan in the absence of home- and community-based services that are determined to be an appropriate alternative.

If you feel overwhelmed, Parent to Parent of Georgia offers a variety of support services to Georgia families impacted by disabilities or special healthcare needs.

Applying for SSI Child Disability

<https://www.ssa.gov/disability>

Children from birth up to age 18 may get Supplemental Security Income (SSI) benefits. They must be disabled, and they must have little or no income and resources.

Social Security has a strict definition of disability for children. The child must have a physical or mental condition(s) that very seriously limits his or her activities; **AND** The condition(s) must have lasted, or be expected to last, at least 1 year or result in death.

A state agency makes the disability decision.

Checklist – Childhood Disability Interview: You should have as much of the following information as possible before your interview.

MEDICAL INFORMATION:

- Name, address, and phone number of every doctor, therapist, hospital and clinic that has seen or treated the child for at least the last year.
- Any medical records you already have, including the dates the child was seen or treated and the child's patient ID number(s), if known.
- Medication(s) the child is taking. These can be found on the medicine containers.
- Child's medical assistance number, if any.

OTHER INFORMATION

- Names, addresses and phone numbers of any schools the child attended in the past 12 months, including the names of teachers, psychologists, counselors, speech and other therapists who have seen or treated the child.
- The child's Individualized Family Service Plan (IFSP) for early intervention services or Individualized Education Program (IEP) for special education services, if the child has one; and any other school records that you may have.
- Names, addresses and phone numbers of any social service programs and the name of caseworkers that have information about the child.
- Name, address and phone number of another adult who helps care for the child and can help us get information, if necessary.
- Names, addresses and phone numbers of any employers the child has had.
- An original or certified copy of the child's birth certificate. If the child was born in another country, we also need proof of U.S. citizenship or legal residency.
- Names and Social Security Numbers for all the children and adults who live in the household.
- Proof of current income for the child and family members living in the household (for example, pay stubs, self-employment tax returns, unemployment or other program benefits, child support).
- Proof of resources for the child and parents living in the household (for example, bank account statements, life insurance policies, certificates of deposit, stocks or bonds).

You can apply for Disability benefits online, or if you prefer, you can apply by calling our toll-free number, 1-800-772-1213. Our representatives there can make an appointment for your application to be taken over the telephone or at any convenient Social Security office.

Grandparents Raising Grandchildren

Kinship Navigator Program

Georgia Division of Family and Children Services (DFCS)

The Kinship Navigator Program serves as a one-stop shop for information and referral services to grandparents, relatives and other caregivers who are currently raising a child.

A kinship caregiver can be a grandparent, aunt, uncle, sibling or anyone who has established a 'kin-like' bond with the child(ren). The majority of kinship care arrangements are informal, private arrangements between parents and relative caregivers, while other situations arise as a result of involvement with the child welfare system. Kinship caregivers may also apply for child support services at no cost at their local Division of Child Support Services (DCSS) office or by completing an application for services through the DCSS Customer Online Services.

Kinship Navigator Program scope: The program's overarching goal is to close the gaps and/or delays with service delivery to kinship caregivers. DHS focuses on providing a responsive strength-based supportive role to our kinship families.

Kinship Navigator Program goals

- Help caregivers understand and access programs and services available to them.
- Develop proactive ways to address caregiver needs and develop an informal and formal support system.
- Create a safe and supportive home environment for children outside of foster care, including assisting with family planning, early identification of needs for additional services such as therapy, counseling, educational and/or mental health services.

To enroll in the Kinship Navigator program, download our referral form at <https://dhs.georgia.gov/kinship-navigator-program>

Seniors

Senior Services provides a variety of services designed to promote and preserve the independence and integrity of older adults in Douglas County. Services are available to all Douglas County residents aged 60 and older and include the following services.

In-Home Services - phone: 770.920.4290

Home Delivered Meals- provides hot nutritious meals, nutrition education, and nutrition risk screenings to individuals 60 years of age or over who are either homebound, unable to prepare their own meals, at nutritional risk, or otherwise isolated. All meals are prepared on-site daily by certified food service personnel using approved menus designed to provide one-third of the USDA recommended allowance. Meals are delivered five days per week, Mon. - Fri.

Homemaker Services- designed to strengthen the capacity of older adults to maintain their independence. Services include light housekeeping, laundry, essential shopping, medication pickup, and limited transportation services.

Information & Assistance/Care Management Services - phone: 770.920.4290- designed to assist the older adult and their family in obtaining the services needed to maintain independence and remain at home.

Senior Center Services - phone: 770.489.3106

Congregate Meals- provides hot, nutritious meals Monday through Friday at the Douglas County Senior Center located at 6287 Fairburn Road, Douglasville. The center provides a variety of educational and recreational opportunities designed to promote social interaction and physical wellbeing. Transportation to/from the center is available.

Medical Transportation- focuses on residents who are 60 or over, but also accepts residents who are under 60 with a disability. Transportation is available throughout Douglas County and to limited areas outside of the county. The service works on a first come, first served basis and utilizes a newly purchased wheelchair equipped lift van.

Woodie Fite Senior Center - phone: 678.626.5630

An adult recreation and educational facility for those over the age of 55 and serves active adults with activities and fitness to keep seniors feeling young. Hours of operation are 8:00 am until the end of the last activity of the day.

Medicare

Medicare is an insurance program that pays medical bills for people who are over 65 years old or who have disabilities. It is available to people who receive Social Security benefits regardless of how much money they have. It is operated by the Federal government and is paid for with money from the Social Security Trust Fund, which most people pay into while they work. Retired people and those with disabilities pay a monthly insurance premium for Medicare Part B. This is usually taken out of their Social Security check before they receive the check. You can find out more about Medicare at their website www.medicare.gov or contact them at 866-552-4464. You may also contact GeorgiaCares at 1-800-669-8387 for assistance with Medicare questions.

If you are aged (65 years old or older), blind or have a disability, apply for the SSI program by contacting your local Social Security office. If you are approved for supplemental income, you will automatically receive Medicaid. You may also apply for Medicaid at the DFCS office, but you will not be able to apply for supplemental income there. To find the closest Social Security office call 800-772-1213 or go to www.ssa.gov.

Home School Information

The Georgia Department of Education (GaDOE) developed a web-based system to efficiently comply with the new home school requirements.

To find the home school webpage, go to the GaDOE webpage at <http://www.gadoe.org/Curriculum-Instruction-and-Assessment/Pages/Home-Schools.aspx> Additional information about home schooling and how to submit home school documentation is available on the home school webpage.

DEPARTMENT OF EDUCATION 404.463.1765

The Douglas County Success Center

The Student Success Center is a cohort of non-traditional educational programs for students attending Douglas County Schools.

**Location: Annex East at 2300 Shoals School Road, Douglasville, GA 30135
770-651-6475**

The **Performance Learning Center (PLC)** is a non-traditional high school program. The PLC is a small school model and will serve 90 students each semester. Students attend classes throughout the day with learning facilitators in each specific subject area. Transportation is provided to and from the base high school for all PLC students.

Teachers or counselors refer students to the PLC who meet one or more of the criteria below:

1. In need of flexible academic programming to overcome personal obstacles
2. May want to graduate early
3. At risk of dropping out of school
4. May be behind in credits
5. Are experiencing a discrepancy between ability and achievement

The **Douglas County Virtual Academy (VA)** is a choice program for Douglas County students. The VA uses the same computer-based curriculum (Edgenuity) that is used in the PLC. The application process begins with the base high school counselor. Once students are accepted, they will be contacted by the program coordinator for an orientation that will provide valuable information about the program and expectations, prior to official enrollment.

Eclipse Program (EP)/Night School is a non-traditional evening high school program for students that will use the same online learning platform (Edgenuity) that is used in the PLC and VA but in more of a blended manner as teachers incorporate traditional instructional practices into the online learning. The evening/night school program will operate Monday thru Thursday evenings from 4:30-8:30 p.m. following the Douglas County School district's calendar. *Transportation to and from campus must be provided by the parent/guardian.

Advantage Academy (AA) is a middle and high school alternative program designed to meet the needs of students who have been removed from the traditional setting due to disciplinary infractions. The program will consist of two half-day sessions (morning and afternoon) and students will be assigned to one session each semester. Students will transition back to their home-based schools once they have completed their assigned time and met all required goals.

Visitation

Family Bridge Visitation and Community Services Center

Family Bridge Visitation and Community Services Center provides supervised visitation services in support of Douglas County children and families involved in Juvenile Dependency proceedings. These visits take place in a home like, child friendly setting where each family has a private visitation room.

Family Bridge also provides fee based visitation and monitored neutral exchanges and Superior Court related custody cases.

www.gacares.org

Georgia Cares is the single, statewide coordinating agency to connect services and treatment care for victims of child sex trafficking and exploitation. Staff follows victims throughout their process of treatment and recovery to lead healthy, successful lives as productive members of society. To call our 24 hour statewide hotline, please call 1-844-8GA-DMST (842-3678).

24 HOUR HOTLINE: The hotline provides information to those who might be victims, assistance to law enforcement on the rescue of a victim, and referrals for victim assistance.

CASE MANAGEMENT: Georgia Cares provides case management services to confirmed victims of child sex trafficking in Georgia.

EMERGENCY RESPONSE: Emergency response services includes the operation of the 24 hour hotline, individual support during times of crisis for Georgia Cares' youth, and youth-centered safety planning aimed to empower youth to make appropriate decisions during emergencies.

SCREENING: Georgia Cares conducts research-informed screenings on all youth who are referred to Georgia Cares.

RESEARCH BASED ASSESSMENT: Georgia Cares administers a research based assessment both to youth that are confirmed victims of exploitation, or for youth that have one or more indicators that child sex trafficking is occurring.

INDIVIDUAL CARE AND SERVICE PLANNING: Georgia Cares provides individual care and service planning to all confirmed victims of child sex trafficking.

COORDINATION OF SERVICES: Georgia Cares coordinates services for youth that are victims of child sex trafficking. Services are selected based on the individual needs of the youth.

FOLLOW UP AND SAFETY PLANNING: When a youth is eligible for transition, they will receive comprehensive transition planning.

Health & Medical

Cobb & Douglas Public Health

Douglas Public Health Center • 6770 Selman Dr. Douglasville, GA 30134 • 770-949-1970

For a description of programs and services, visit

www.cobbanddouglaspublichealth.com

Immunizations are offered on a walk-in basis Monday through Friday from 8:00 a.m. until 5:00 p.m. at the Marietta, East Cobb, Douglasville and Acworth Public Health Centers. No appointments are needed, however, during high volume times we may need to suspend this service temporarily.

Babies Can't Wait is a statewide early intervention program for children (birth to 3 years of age) with developmental delays and their families. Babies Can't Wait can assist families in identifying needed resources and services within our community to meet a child's developmental needs. Agencies and individuals provide services from both the public and private sector that includes speech, occupational, physical therapy and special instruction. The Babies Can't Wait program uses the case management (service coordinator or SC) model guided by an Individualized Family Service Plan. For more information, contact the Cobb and Douglas Babies Can't Wait Coordinator at 770-949-1970.

Children 1st is a statewide, free, voluntary initiative coordinated by the Georgia Department of Public Health and your local Public Health Department. Any child (from birth – age 5) with developmental, social or medical needs can be referred to the program. A Public Health Nurse contacts the family and will make a home visit to help the family access local medical services and social supports.

SAFE KIDS Cobb & SAFE KIDS Douglas Coalitions provide free car seat education to help parents ensure their child's car and booster seats are installed and fit properly. Availability is limited, so all parents and caregivers are encouraged to schedule an appointment to have their seat installed. The Coalitions provide information and education on: Home safety, including safe sleep for infants, Child Passenger safety, Poison prevention, Water safety, Bicycle safety, Fire safety, •Pedestrian safety, and Youth Sports Safety. For more information, call 770-949-5515 ext. 1263.

Early hearing detection and intervention- The primary focus is to ensure that all newborns receive their hearing screen prior to discharge from the hospital, receiving follow up screening prior to one month if they "refer" in the hospital (or miss their hospital screening). Additionally hearing screens on newborns aged 0 to 3 months are performed if they reside in Douglas County. For more information, contact Yasmin Thornton, MPH, at 770-514-2456

Children's Medical Services (CMS) is a program designed to assure that eligible children with chronic medical conditions receive specialty medical care in Georgia. Children (birth to 21 years of age) with eligible medical conditions, who live in Cobb or Douglas counties and meet income eligibility, may receive comprehensive care coordination. For more information about eligible conditions and services call: For children under age 5 years, 770-514-2759 For children age 5-21 years, 770-432-0578

Health & Medical *(continued)*

The Family Health Center at Douglas County Schools Burnett/Eastside School-Based Health Center

8277 Connally Drive Douglasville, GA 30134 • Phone: 770.651.2273

Hours: Monday, Tuesday, Thursday & Friday | 7:30 a.m. - 4:30 p.m. during school hours/hours of operation may vary (services available for students and affiliates only)

The center provides a full range of healthcare services to help students avoid health-related absences and receive support to succeed in the classroom. The Family Health Center at Douglas County serves all students enrolled in the Douglas County School System; as well as their siblings up to the age of 18 and their pre-school age siblings beginning at age three. The center also serves homeless students across the district and children of the staff at the identified schools. The center accepts insurance or charges parents for services based on a sliding scale.

Services provided at the clinic include primary care, immunizations, laboratory services, physicals, chronic disease management, health education, nutrition counseling, and behavioral health.

The health center must have parental consent to treat a child and must follow all HIPAA and FERPA laws.

The clinic will be open Monday, Tuesday, Thursday and Friday when school is in session, 7:30 a.m. - 4:30 p.m.

To make an appointment please contact 770-651-CARE (2273). For more information about the FHCGA, visit www.fchga.org or call 404-752-1400 ext. 7980.

Community Assistance Resources

United Way

Call / Text --Dial 2-1-1 or text your zip code and need to 898-211

United Way of Greater Atlanta's 2-1-1 Contact Center connects families with the community-based resources they need to thrive – resources that can put food on tables, sharpen and edit resumes, keep lights on or even provide clothes after a house fire.

Sweetwater Mission

Sweetwater Mission - Stabilizing Families - Transforming Lives

Sweetwater Mission is a coalition of churches, civic groups, businesses and caring individuals working together to offer services to low-income families and individuals in Cobb and Douglas counties.

All of our programs are free and include:

- A client-choice food pantry providing a wide variety of nutritious food
- On-site Food Stamp applications and renewals
- A clothing closet offering new and gently used clothing, hygiene and personal care products, and baby diapers
- A Kids Housing Initiative to help homeless, or at-risk of becoming homeless, families find and/or maintain stable housing
- The HOPE program providing comprehensive training in life skills and job-readiness
- GED preparedness classes
- Career Connections offering monthly workshops, networking and career search resources for job-seekers

6130 Hotel Street Austell GA 30168

Assistance with Obtaining an ID

Crossroads Community Ministries, Inc. Help Desk 404.873.7650

In order to obtain an indigent ID, your client would need to be here for Orientation. Orientation starts at 8:15 am, Monday-Friday, but we like for our guests to arrive no later than 7:45 am as we only serve 10 guests per day. Your client will need to bring a letter from your agency on letterhead stating what they need. Clients receive a voucher that they will take to the DDS.

We provide help with ID's, Birth Certificates and Mail. (not Social Security Card)

Housing/Shelter Resources

Project Community Connections, Inc. (PCCI)

302 Decatur St. SE Atlanta, GA 30312 Phone: 404-215-9991

PCCI maintains relationships with a large network of homeless service providers to stay informed of services available in the community.

Clients who are referred to PCCI through the Coordinated Entry process, are contacted within 48 hours to complete a pre- screen. Those clients who appear to be eligible at the time of pre- screen for are scheduled for an in-person assessment. Information is gathered around the clients' overall needs in order for the staff to gain a complete understanding of the individual's situation, barriers to stable housing and needed connections to services. Additional documents are completed during the assessment to assist in the determination of client choice around housing, rent affordability and budgeting. The staff utilizes this information to provide appropriate services and housing search for the client.

PCCI CRITERIA

- Client must be literally homeless (Category 1) according to HUD guidelines
- Residing in an Emergency Shelter
- Residing in a Place Not Meant for Human Habitation
- Residing in a Hotel/Motel paid for by a Charitable Organization
- Client must be experiencing homelessness in eligible geographic areas
- Client must be willing to participate in a comprehensive housing assessment process
- Client must be willing to move-into their own residence within the next 30 days
- Client must be below the AMI Income limits

JC Freedom House

JC Freedom House is a shelter for women in crisis in Douglas County that provides shelter for women in crisis. Currently we provided shelter for women without children, women who have children that are not currently in their care and pregnant women. For women in our program, we provide outreach support for their children not currently in their care.

Youth Challenge Academy (YCA)

This is a cost-free program open to Georgia residents. The Academy's mission and curriculum are accomplished during the residential phase through the completion of the following eight core components: Life Coping Skills, Educational Excellence, Responsible Citizenship, Skills Training, Health, Hygiene and Sex Education, Physical Fitness, Leadership and Followership, & Community Service. Youth Challenge uses a military model to transform the lives of our students, by employing the following strategies: a tough, no non-sense approach to discipline and a caring, patient, and determined attitude towards education. YCA partners with Georgia's Graduation Achievement Charter High School. This allows eligible cadets the opportunity to complete their High School Diploma while at the Youth challenge Academy (YCA).

Application can be located at <http://www.georgiayouthchallenge.org/>

Job Corps

Job Corps is the nation's largest career technical training and education program for young people ages 16 through 24. Students can earn a high school diploma, a high school equivalency credential, or college credits through Job Corps. We offer career technical training in more than 100 career areas.

Students receive housing, meals, basic health care, a living allowance, training, and preparation for a career, all at no cost. For up to 21 months after graduation, a career transition counselor will help your student make the transition from Job Corps into the real world.

In addition to the educational and career technical opportunities that Job Corps offers, there's a whole lot more: Healthcare, Meals, Dormitories, and a variety of additional activities such as community service projects, arts and crafts, cultural awareness programs, field trips to area attractions (mall, movies, sporting events, concerts, etc.), intramural sports, student government, and much more.

You can enroll in Job Corps by calling (800) 733-JOBS or (800) 733-5627
